RE: Davis refinery - title V applicability

Please let me know by COB Tuesday if you're available to help with the Part 70 question that Gail raises below, concerning a refinery project near Theodore Roosevelt National Park.

Hi Paul,

Per our conversation yesterday

Ex. 5 - Attorney Client

Ex. 5 - Attorney Client

We have a call with ND on 10/19. While it would be great to have some input from ORC before then, it's not critical. Patrick Wauters of my staff is working on this bit of research with help from DJ Law. I've attached an email chain for additional background.

If no one is available for this, we can also approach OAQPS.

Thanks!
